**REVIVAL OF IISCO**

**New Delhi: November 25,2005**

Rajya Sabha

Under the Corporate Plan – 2012 for IISCO, Burnpur works will be upgraded to produce 2 million tonnes per year (MTPY) of crude steel in 2011-2012 from a level of 0.35 MTs in 2004-05. The plan also envisages development of collieries to enhance coking coal production to 1 MTPY. Chiria Iron Ore Mines will be developed to produce 7 MTPY of iron ore. Total investment considered for implementing the corporate plan is Rs.8,017 crore.

This information was given by the Minister for Chemicals & Fertilizers and Steel Shri Ram Vilas Paswan in a written reply to a question by Shri Kalraj Mishra in the Rajya Sabha today.
