

IT-CORRIDOR OF BANGALORE

New Delhi: December 8,2005

Karnataka Government has sought assistance for upgradation of works on 38 roads of economic importance around Bangalore in form of one time assistance amounting to Rs. 516.00 crore from Planning Commission. Since the above roads are not National Highways, State Government is primarily responsible for their development and maintenance said Shri K H Muniyappa, Union Minister of State for Shipping, Road Transport and Highways in his written reply to a question asked by Shri K B Krishnamurthy, in Rajya Sabha today
